Ideas, inspiration & tips to help fill your yearbook pages.

Life Outside of School Page

What do students and faculty do for fun outside of school?

Selfie Page

Create a spread of faculty and student selfies.

Events Collage Page

Consider making a collage out of the pictures that did not make it on your spreads.

Autograph Pages

Extend your theme and create unique autograph pages. Consider adding random autograph pages in between pages or towards the end of your yearbook.

Words of Wisdom Page

If you could leave your students one piece of advice, what would you say? Gather answers from faculty members and create a "Words of Wisdom" page.

"Things We Said" Word Collage Page

Does your school have famous phrases and words used throughout the year? What are some of the things students said in 2019-2020?

Message from Yearbook Committee/Staff Page

Take a moment to share a few words about this year's theme and extend a thank you to those who have contributed to this year's yearbook.

Dedicate a Spread to the Seniors

This year has been unexpected for many but the seniors are really feeling the change. Dedicate a page to some of the moments they experienced this year.

Crossword/Wordsearch Page

The possibilities are endless! Consider creating a school themed puzzle free from puzzle-maker.com

I Spy Page

What a great way to use some of those funny pictures that didn't make the spread. One spread can be used for the game and a spread later in the book for the answer key.
