It's a deal
It's a good time

It's a matter of give and take

Way 2 kool
We are
We are not
We are one
We are ... RU
We bring good things to life
We couldn't make up these stories if we tried
We deliver
We demand respect
We faced it together

We have it all ... and then some
We hold these truths ...
We kid you not
We know a thing or two
We lead; others follow
We make looking good easy
We make the difference
We survived
We told ya
We won't go quietly
We'll see about that
We're all in this together
We're all that
We're going wild
We're 'IN-'dependence
We're on the map
We're over it
We're packed and ready to go
We're something more
We're still flying high
We're turning some heads
We've caught your eye
We've completely flipped
We've got a line on you
We've got it all
We've got style
We've got the hookup
We've got you covered
We've hit the Bull's eye
Welcome to our world
What a difference a year makes
What a long strange trip it's been
What a vue
What are you driving at?
What are you looking for?
What did you expect?
What do you do?
What do you mean?
What goes?
What happened?
What if ...
What is it about this place?
What make us tick?
What matters most
What next?
What now?
What was, what is, what will be
What year is it anyway?
What's all this noise about anyway?
What's done is done
What's going on?
What's gotten into you?
What's in a name?
What's it mean?
What's so different?

What's the big deal?
What's the buzz?
What's the difference?
What's the idea?
What's the point?
What's unique about us?
What's your Pointe?
What? Huh? Hmmm ...
Whatever it takes
When all is said and done
When the dust settles
Where are the keys?
Where do we fit in?
Where everybody knows your name
Where in the world?
Where's the Bulldog in you?
Who are we?
Who cares?
Who do you think we are?
Who knew?
Who let the cat out of the bag?
Who no one sees
Who says?
Who? Me?
Who? What? Where? When?
Why? How?
Wired
With flying colors
Without a doubt
Without question
Word for word
Word travels fast
Words
Worth looking into
Worth the wait
Would we lie to you?
Would you care to join us?
Wouldn't change a thing
Wouldn't you like to know?
Wrapping it up
Written in the stars

You ain't seen nuthin' yet
You are here
You be the judge
You can count on it
You can get there from here
You can quote us on that
You can read us like a book
You can say that again
You can't ask for anything more
You can't believe everything you hear
You can't judge a book by its cover
You can't take it with you
You complete the puzzle
You do the math
You don't say
You gotta love it!
You had to be there
You know it
You oughta know
You provide the color
You said it
You should be in pictures
You think you know ... but you have no idea
You were there
You're invited
You're not going to believe this, but ...
You've got mail
You. Captured.
